

SQUAW MOUNTAIN AGE GRUP RECORDS AS OF 2016

Since ASC took over this event in 2007, we do our best to make the race as much fun as possible. Each year we will keep age group records for every five-year age category. We hope this presents a challenge for runners to better these times.

Here are the current age division records for the race (anything in highlighted in yellow is a new record in 2016):
