Dear Runners,

Due to the rain, we are not 100 percent certain if these results are accurate. There may be a few mistakes, but we have tried our best to insure accurate times and places. We have not divided you into age categories, as we are missing several names and ages. We apologize and hope you understand. We have listed all the ages we had, and you can fairly accurately figure out where you stand in your age group.

We hope a good time was had by all. Any comments are appreciated. Thanks to all the volunteers and Truckee River Bank, Alpenglow, and the Chamber of Commerce for all their help! Hope to see you next year - rain, snow, or shine.

Pete Werbel, Race Director
